### **Meditation**

Moreover, when you fast, do not be like the hypocrites, with a sad countenance. For they disfigure their faces that they may appear to men to be fasting. Assuredly, I say to you, they have their reward. But you, when you fast, anoint your head and wash your face, so that you do not appear to men to be fasting, but to your Father who is in the secret place; and your Father who sees in secret will reward you openly.

*Matthew 6:16-18 (NKJV)*

### **Developing Agenda...**

The Chief Coordinator with the Coordinators of Programme Finance, Resource and Facilitation Teams along with the staff representatives from each of the RCSAs shall discuss the further plan of action for the 'Speaking Out...' phase developing the programme agenda at Kolkata during February 2-4, 2009. This shall be an opportunity to assess, appraise ourselves as the accompaniers and to reflect on as how fit we are to lead His mission in the next three years phase. Certain decisions shall be taken in this meeting strategizing the entire move...

### **DBSS' Appraisals**

SBSS' teams of Accompaniers have been visiting various dioceses conducting the staff's performance appraisals/appreciative enquiries. The base documents for this process used were the earlier reports, suggestions and recommendations from the Evaluation and Planning processes, observations and learning from the meetings held time-to-time at DBSS, RCSA and SBSS levels. The main objective was to prepare ourselves as well as enable our partner organisations to accomplish the goal in 'Mission Mode' we all had set for the 'Speaking Out...' phase.
